

Meeting 6

Location: CW 126
Date: October 24, 2018
Time: 2:30 pm - 2:45 pm

Attendees:

- Heather Hadjistavropoulos
 - Marcie Nugent
 - Christian John
 - Iden Ellia
 - Joe Samano
-

Summary of the Meeting:

- We discussed the changes of the project after talking with Max which includes how the real-time messaging application will not be integrated with their system, how Heather's requirement were too broad and that we cannot handle, and that we are going to create an application with functionalities that their website can currently do particularly the email part.
- We also showed them the new project requirements that we got from Max.
- Heather and Marcie were fine with the changes and we will discuss in later meeting how we will proceed after doing the email part of the application.
