Summary of the Meeting:

- We asked Tim if he could be our supervisor for our Capstone Project and Tim is okay with it.
- We briefly discussed about our Capstone Project being a general real-time messaging application.
- Tim asked us how is it different from other messaging applications like WhatsApp and what is the problem we are solving to which we don't have.
- Tim suggested to talk with Heather and discuss what we could work on that will work for us.
- Tim will help us in setting a meeting with Heather.
